Futureworld Retail Overhauls Business Processes and Perfects Customer Service with Improved Analytics, Reliability, and Scalability

About Futureworld Retail; The brand is a known the Apple Premium Reseller stores across Asia. With an impressive customer base spanning to corporate, retail, education and government sectors of the local IT industry, Future World continues to expand its operations with a strong focus

Why they choose Prudence: Spread all over Asia it was an obvious choice for Microsoft Dynamics NAV. However, with Prudence they ensured simplifying the process like inventory traceability, provided them better analytics of their stores, also able to manage to track their reports. Experience into retail was an added advantage in ensuring the solution is delivered fast and accurate.

Challenges:

- POS integration with accounting on real time.
- IMEI No. wise product/ Mobile tracking
- Customer/Vendor Ageing
- Tender Discount on POS
- Timely statutory returns and compliances
- Fixed Assets Management

Advantage of deploying MS Dynamics NAV:

- Store Wise Daily Basis Cash Collection
- Buy Back Promotion & Scheme On POS
- Inventory Traceability
- Advance payment set off against multiple invoice on POS
- Sales vs. Tender vs. Bank report
- Receipt wise/ Item wise gross margin report
- User authorization matrix (user can perform his/her task based on performance permission)

Incorporated in 2010 in New Delhi, Prudence Technology is now having a global footprint in USA, EMEA & APAC works on the philosophy of "CAS (Customer Acquisition & Satisfaction)". Prudence helps organizations to choose and implement business solutions like ERP, Business Intelligence, CRM, and Human Capital Management on cloud or on premise.
